

# CÂU ĐẢO NGỮ

## 1. Đảo ngữ với các Trạng từ phủ định (Negative Adverbs)

- Định nghĩa: Dùng để nhấn mạnh sự hiếm hoi, cực kỳ hoặc phủ định hoàn toàn của một hành động. Dấu hiệu: Các từ như: *Never, Rarely, Seldom, Little, Hardly, Scarcely, No sooner...*
- Công thức: **Trạng từ phủ định + Trợ động từ + S + V (nguyên thể)?**

20 Ví dụ:

1. Never have I seen such a complicated database schema.
2. Rarely does the senior developer make such a basic syntax error.
3. Seldom do we encounter a bug that is this difficult to trace.
4. Little did I know that the server would crash during the demo.
5. Hardly had I started the update when the power went out.
6. No sooner had we deployed the site than the traffic spiked.
7. Scarcely had she finished the report when the boss asked for a revision.
8. Never before has the company faced such a serious security threat.
9. At no time did the administrator disclose the root password.
10. Under no circumstances should you share your API keys publicly.
11. In no way can we complete this project without Ngọc's help.
12. Only then did I realize that I had forgotten to save the changes.
13. Rarely have I used a camera as intuitive as the Fujifilm X-T10.
14. Never again will I ignore the warnings in the console.
15. Little did the team realize how much the cloud costs would grow.
16. Seldom is the documentation as clear as this one.
17. Hardly ever do they update the legacy system on weekends.
18. No sooner had I opened Postman than the connection timed out.

19. On no account must you delete the transaction logs.

20. Never have I been so impressed by a frontend UI design.

## 2. Đảo ngữ với "Only" và "Not only... but also"

- Định nghĩa: Nhấn mạnh vào điều kiện duy nhất hoặc sự bổ sung thông tin một cách mạnh mẽ.
- Công thức: **Only after/when/by + phrase/clause + Trợ động từ + S + V**  
**Not only + Trợ động từ + S1 + V1, but S2 + also + V2**

20 Ví dụ:

1. Only after testing the code thoroughly did we push it to production.
2. Only when the requirements are clear can the development begin.
3. Only by practicing every day can you improve your TOEIC score.
4. Only in this way could the team solve the deadlock issue.
5. Only later did I find out that the email was sent to the wrong person.
6. Only with a stable internet connection can you access the cloud server.
7. Not only is he a good coder, but he is also a great project manager.
8. Not only did she fix the bug, but she also optimized the entire script.
9. Not only was the system fast, but it was also incredibly secure.
10. Not only do we use ReactJS, but we also use Elasticsearch for searching.
11. Only after the meeting did Long understand his tasks.
12. Only when you finish the tax finalization will you get a refund.
13. Only by using a VPN can you access the internal network.
14. Only then did the client agree to extend the deadline.
15. Not only has the user count increased, but the engagement has also grown.
16. Not only does this camera take great photos, but it also looks vintage.
17. Not only will we provide the hardware, but we will also handle the setup.

18. Only in Hanoi can you find this specific type of traditional tattoo artist.
19. Only after a reboot did the computer function normally again.
20. Not only was the error fixed, but the system performance also improved.

### 3. Đảo ngữ với Câu điều kiện (Conditionals Inversion)

- Định nghĩa: Thay thế cấu trúc "If" bằng cách đảo ngữ để câu văn trang trọng hơn. Đây là dạng cực kỳ phổ biến trong các email công việc và tài liệu kỹ thuật. Công thức:
  - Loại 1: **Should + S + V(bare)...** (Thay cho If S + V)
  - Loại 2: **Were + S + (to V)...** (Thay cho If S + V2)
  - Loại 3: **Had + S + V3/ed...** (Thay cho If S + had V3)

20 Ví dụ:

1. Should you need any further assistance, please contact our support team.
2. Were I you, I would invest more time in learning English grammar.
3. Had we known about the bug earlier, we wouldn't have released the update.
4. Should the server go down, the backup system will activate automatically.
5. Were the project to fail, the company would lose a lot of money.
6. Had Ngọc designed the ERD, it would have been much more organized.
7. Should any error occur during installation, please check the logs.
8. Were it not for his help, I couldn't have finished the API testing.
9. Had I saved the file, I wouldn't have lost two hours of work.
10. Should you find a better solution, let us know in the next meeting.
11. Were they to offer me the job, I would accept it immediately.
12. Had the client provided clear requirements, we would have finished on time.
13. Should you have any questions regarding the tax form, feel free to ask.
14. Were the laptop to overheat, the system would shut down to protect itself.

15. Had we used a different database, the migration would have been easier.
16. Should he call, tell him I'm in a meeting with the tech team.
17. Were I in your position, I would choose the Agile model for this project.
18. Had the security patch been applied, the data wouldn't have been stolen.
19. Should the connection be lost, the application will attempt to reconnect.
20. Had I practiced more for the TOEIC, I would have achieved a higher score.
