

MỆNH ĐỀ QUAN HỆ

1. Mệnh đề quan hệ xác định (Defining Relative Clauses)

- Định nghĩa: Dùng để cung cấp thông tin thiết yếu về danh từ đứng trước nó. Nếu bỏ mệnh đề này đi, câu sẽ không rõ nghĩa hoặc không đủ thông tin.
- Dấu hiệu: Không dùng dấu phẩy. Sử dụng các đại từ: *Who* (người), *Which* (vật), *That* (người/vật), *Whose* (sở hữu).
- Công thức: **N + {Relative Pronoun} + S + V hoặc N + {Relative Pronoun} + V**

20 Ví dụ:

1. The developer who wrote this code is no longer with the company.
2. I need a laptop which has at least 16GB of RAM.
3. The English grammar lesson that we studied yesterday was quite difficult.
4. The man whose laptop was stolen has reported it to the IT department.
5. This is the API which connects our database to the frontend.
6. The students who pass the TOEIC exam will receive a certificate.
7. Where is the documentation that explains the system architecture?
8. I know a person who can fix this database error in minutes.
9. The camera which I bought last year takes excellent photos.
10. The colleague whose project won the award is very talented.
11. The instructions that you provided were very clear.
12. A bug which causes the system to crash has been identified.
13. The user who forgets their password must contact the administrator.
14. This is the smartphone that has the best battery life.
15. The team who handles the cloud migration is working late.
16. The folder which contains the project files is on the desktop.
17. The technician whose name I forgot was very helpful.

18. The website that was launched last week is already getting traffic.
19. People who use Git regularly know how important commits are.
20. The script which automates the backup process is running smoothly.

2. Mệnh đề quan hệ không xác định (Non-defining Relative Clauses)

- Định nghĩa: Dùng để cung cấp thêm thông tin phụ về một danh từ đã được xác định rõ (tên riêng, danh từ đi kèm *this/that/my...*). Nếu bỏ mệnh đề này đi, câu vẫn đủ nghĩa.
- Dấu hiệu: Bắt buộc phải có dấu phẩy để ngăn cách. Không được dùng "That" trong trường hợp này.

Công thức: **N, {Relative Pronoun} + S + V,...**

20 Ví dụ:

1. My current project, which involves ReactJS and SQL Server, is nearly finished.
2. Mr. Long, who is our lead developer, is very experienced in Agile.
3. The Fujifilm X-T10, which I use for street photography, is a classic camera.
4. Python, which is a popular programming language, is easy to learn.
5. My HP computer, which I bought two years ago, still works perfectly.
6. The e-tax portal, which is used for tax finalization, is currently down.
7. Ngọc, who works on the database design, is very meticulous.
8. Japan, where Irezumi tattoos originated, has a rich cultural history.
9. This new software update, which was released today, fixes several bugs.
